- Take responsibility for own actions and completion of tasks
- Spend time with client on regular basis to communicate progress
- Respond to requests in a timely fashion
- Take responsibility for own actions

Position Qualifications

- Associate or B.S. in Mechanical Engineering accredited program
- LEED AP preferred
- Knowledge and experience in REVIT software, building load programs and engineering software systems
- Three plus years' of professional experience, A/E industry preferred
- ASHRAE participation preferred

TowerPinkster is a firm of architects and engineers committed to design integrity, quality, and environmental responsibility. Our doors opened in 1953 with just six people and now we have more than 100 of the best employees in Michigan. At our firm, it's our people who make us different. We have the freedom to explore new ideas, the tools to create innovative strategies and the talent to inspire our clients through interactive design. Our expertise and collaborative, client-centered approach means the best ideas rise to the top. And having a diverse team fosters fresh perspectives, creating better results.

TowerPinkster received the 2016 National 101 Best and Brightest Companies to Work For Award, 2016 best Firm Award from Zweig Group and the 2015 Firm of the Year Award from AIA Grand Rapids. These awards were given based on design creativity, community commitment, client commitment and team building. We are proud of this achievement and are thankful for our client relationships, our generous communities and all the employees who contribute to TowerPinkster's fun and creative culture! Our supportive work environment helps employees reach their career goals, and we have fun doing it! We love what we do and it shows!

Our Vision: A diverse, talent-based firm sought after in expanding markets.

Our Mission: Design leaders who create unique environments with clients and communities
